MEN CARRIED HALF BLOCK

Crash at Morgan Street Crossing
Shortly After Midnight—Victim's
Chest is Crushed

Virgil R. Thompson, age 37 years, an automobile salesman and agent in this city, was fatally injured and his companion Harry Smith, age 23 years, was less seriously injured, shortly after midnight this morning, when the automobile in which they were riding was struck at the Morgan street crossing, by the midnight Chicago flyer on the C. I. & W. railroad.

The victim sustained a crushed left side which caused heart shock, and he expired at three o'clock this morning at the Dr. Sexton hospital, where the two men were taken following the accident. Smith was bruised and scratched and escaped from the wreckage miraculously.

The passenger train, due here at 11:46 was in charge of Engineer Duffey and Conductor Mathews, and no blame was attached to the train crew. County Coroner Barnum today issued the following statement: "Virgil Thompson came to his death by being run down by a C. I. & W. train, westbound, about twelve o'clock, midnight. His chest was crushed, causing heart shock and death. W. E. Barnum, county coroner."

Jack Neeley, an employee at the City Restaurant, was the only eye witness to the accident, as far as could be learned. Mr. Neeley was near the corner and attempted to warn the occupants of the machine, but they failed to hear him.

He said that the driver saw their danger in time to turn the car toward the flagman's shanty, and the engine boosted the machine high into the air and carried it down the track.

GOOD SEATS LEFT FOR MINSTREL SHOW

Large Cast Is Ready For Rise Of
Curtain At First Performance
Of Black And White Frolic

TO BE GIVEN TWO NIGHTS

Although seats are being reserved rapidly for the Black and White Minstrel Frolics, which will be presented at the Graham Annex auditorium tonight and Friday night under the auspices of the Rushville Kiwanis club, there were still plenty of desirable seats left in the plat today and persons who have not had an opportunity to reserve seats will have no difficulty in finding a good place to see and hear the whole performance.

The first (and likewise the last) full dress rehearsal was held at the auditorium Wednesday night and every member of the large cast is keyed up and ready for the curtain to rise at 8:15 o'clock tonight.

The production has been rehearsed and is being staged by C. H. Thomas, a representative of the John B. Rogers Producing company. Mrs. Marjorie Knecht will be at the piano and Miss Martha Winkenhoffer, violinist of Indianapolis, formerly of this city, will assist with the accompaniments.

The first part will be composed of the usual minstrel program, with lots of new music and newer jokes. The second part will be a farce in two scenes, followed by a series of dancing and musical numbers.

The Little Theatre

By EUGENE B. BUTLER

(President of Board of Directors)

The Little Theatre Society of Rushville has been organized and is being promoted for the purpose of encouraging and developing dramatic talent in our community. The organization is rapidly growing through the indefatigable efforts of a few earnest workers. The many members are proving their loyalty through active cooperation for a larger membership and for the first bill to be presented here December 7. The high standard which the Society has set for its productions necessitates the enthusiastic cooperation of a large number of workers. Actors are necessary, of course, but so are settings, light effects, costumes, properties, scene shifters, ushers and an audience. The strength of the organization of our producing staff depends upon what each one is willing to do. There is sure to be something which everyone can do to help, no matter whether you have had previous experience in matters of the theatre or not.

On behalf of the board of directors I wish to earnestly thank all those who are so ably assisting in our preliminary work this season. A great deal of hard work remains to be done before December 7, but with the spirit which has been manifested it should not be difficult to attain our goal both artistically and otherwise.

Don't forget that you are cordially welcome at our Workshop. It is all the home The Little Theatre has at present, but as such it belongs to you.

NO APOLOGY NEEDED FOR THE RED CROSS

By A. L. GARY

It is not necessary to offer an apology for the American Red Cross. It has proved its great human value during the almost half century of its existence. Born from the necessity of caring for the wounded and distressed, because of war, it had developed into the greatest means of relieving distress of body or mind, whether that distress was caused by war, pestilence, disease, flood, earthquake or famine.

It is the great Angel of Mercy of the World. It knows no religious or political creed; no racial prejudice; no caste or class. Where suffering exists which can not be relieved by local means, there the American Red Cross appears and gives its assistance.

Rush county must help in this great work. We were the second county in the state in 1919 in the ratio of members per population, and we must not rest on past accomplishments. We must see to it that the Red Cross is prepared to meet any emergencies that may arise. One-half of each dollar obtained for membership goes to the general society, and the remainder is used by the local chapter. The people know the work being done and now is the chance to show appreciation by contributing one dollar for membership for the year of 1923.

MYSTERY FIRE TO BE PROBED

Charred Body Of Man Found In
Ruins Of Home Near Portland

(By United Press)

Portland, Ind., Nov. 23.—Investigation of the mysterious fire which destroyed Frank Buckingham's farm home near here, revealing the charred body of James Wooters, 50, was started by county officers today.

Neighbors discovered the blaze long after Buckingham had left the home. It burned as if oil had been poured on the house and a suicide theory was advanced.

ANSWERS ATTACK OF CLEMENCEAU

Sen Hitchcock, Former Chairman of
Foreign Relations Committee,
Takes Issue With Frenchman

AIMS AT FRENCH GOVERNMENT

Asserts Policy Toward Germany
Must Be Altered If There Is To
be Tranquility in Europe

(By United Press)

Washington, Nov. 23.—French war premier Clemenceau was attacked today on the floor of the senate for speeches in the United states.

Senator Hitchcock, Nebraska, former chairman of the foreign relations committee, formally replied to the "tigers" attack on this country's post war policy.

"If France had to send an envoy to the United States to enlist American sympathy, she could have chosen a man more apt than Clemenceau," Hitchcock said. "While Clemenceau is not so much of a militarist as Poincare and others, he has been recognized as representing an extremely harsh policy toward Germany."

"So I deprecate the character of this messenger from France and yet Clemenceau, violent as he was, is mild as compared with the present government of France."

"I therefore am not criticizing Clemenceau so much as the present policy of his government, which must be altered if there is to be tranquility in Europe."

"Rebellion and insurrection in Germany are certain this winter unless conditions are improved," Hitchcock asserted in commenting on Clemenceau's utterances on reparations.

Germany is paying all she can and France's demands are "Utmost nonsense," Hitchcock held. France's attitude is "driving Germany into the hands of monarchists and Bolsheviks," he declared.

"The French insistence on these huge reparations is evidence to me that France does not desire peace," Hitchcock said.

Maintenance of black French troops on the Rhine is another evidence that France is not sincerely desirous of peace with the Germans," he said, "because the French government holds that this is a provocation measure."

"Tiger" Invades New England

New York, Nov. 23.—With United States senators denouncing him and a storm on the verge of breaking in congress because of his remarks, Georges Clemenceau, invaded New England today on his campaign to "win America's heart and soul for France."

The 81-year-old French statesman left New York for Boston with no ceremony whatever. Newspapermen made up the "seeing off party."

To the reporters Clemenceau remarked excitedly, his voice shaking with emotion, that his trip here was: "Splendid! Splendid!"

The procession from the Gibson home to the station consisted of Clemenceau's car and two taxis carrying reporters. Accompanying Clemenceau were his valet and secretary.

The Frenchman was up early, refreshed by the first good night's sleep he has had since he landed. He assisted his valet and secretary in getting the suit cases packed, wearing a skull cap as he worked.

ELMER HENDRICKS DRAWS SIX MONTHS

Defendant In Liquor Case Is Also
Fined \$300 In Jury Verdict Re-
turned Wednesday Night

WILL ASK FOR A NEW TRIAL

Silverton Miller Is Discharged To-
day Due To Faulty Affidavit—
Carthage Men To Be Tried

Elmer Hendricks, who stood trial Wednesday in the circuit court on a charge of unlawful possession and selling liquor, was found guilty by a jury last night at 8:30, when they returned a fine of \$300 and a sentence of six months at the state farm.

The defendant went to jail after being sentenced by the court, and today C. W. Duncan, his attorney, stated that a motion for a new trial would be filed, and in case it was not granted an appeal to the supreme court would be made.

The jury was on hand this morning to hear another liquor case, in which Silverton Miller was elected to be tried, and Judge Ralph Himelick of Connersville was appointed special judge to try the case. The defendant filed a motion to quash the indictment and on an account of an error, the case was thrown out of court and the defendant discharged.

The jury was ordered to report again Friday when Adam Clingepeel and Kelly McCorkle will stand trial on a charge of unlawfully possession of liquor. These defendants have entered a plea of not guilty, and are at liberty on bond.

It will be recalled that these two young men were arrested several weeks ago at Carthage, following an automobile accident when the machine in which they were riding upset, and a jug filled with what is charged was intoxicating grape wine, was found in or near the machine.

In the divorce case pending of Belfield C. G. Darnell against Mable Darnell, the defendant has filed a motion for a change of venue from the county, and it has been granted, but no county has been designated as yet as to the place of holding the trial.

Ovid Silverthorn and Donald Hungerford are plaintiffs in a new suit filed in the circuit court against Jesse A. Shelton, et al., the complaint being on an account in which the plaintiffs demand \$725 judgement.

The plaintiffs are in business at Manilla, and the alleged account is for goods, wares and merchandise ordered by the defendants, and a balance is said to exist on the account which is past due.

Judgement has been entered against Chase Cross, defendant in a suit filed by Hazel K. Smith, in which the plaintiff was awarded \$4,569. 65 on her complaint to foreclose a mortgage.

PIERCE BUTLER NOMINATED

Selected To Be Associate Justice of
Supreme Court by Harding

(By United Press)

Washington, Nov. 23.—Pierce Butler of St. Paul was nominated by President Harding today to be an associate justice of the United States Supreme court.

Butler is a democrat. He is now regent of the University of Minnesota to which he was appointed by Governor Johnson, a long time intimate friend.

Butler was appointed special counsel for the government in 1910 in the prosecution of the Chicago meat packers under indictment for violation of the Sherman anti-trust laws.

He was born in Minnesota in 1866.

NEXT MEETING AT MUNCIE

East Central Indiana Phone Meeting
Closes Wednesday Afternoon

Before adjourning Wednesday afternoon, the East Central Indiana Telephone association voted to hold the next annual meeting at Muncie.

The sessions here were generally regarded as the most interesting and profitable ever held. More than one hundred managers, operators and owners registered at the court house assembly room where the meeting was held. The visitors were also profuse in their praise of the Kiwanis club for inviting them to the joint luncheon session and of George H. Davis, manager of the Rushville Co-operative Telephone company, and other officials of the company, who made the local arrangements.

COUNTY AGAIN FIRST IN STATE

Distribution of Fall Installment of
Taxes Is Completed and Approved
by State Auditor

10 DAYS AHEAD OF LAST YEAR

Total Distributed is \$456,625.81,
Three-Fourths of Which is For
Roads and Schools

Distribution of the fall installment of taxes, amounting to \$456,625.81, which were collected in Rush county during the period ending Monday, November 6, has been completed and today the county auditor, Phil Wilk, and his deputy, were distributing the share of the taxes due the townships and other political divisions of the county.

Rush county was the first county in the state to finish the December distribution, as it was a year ago. Mr. Wilk took the settlement sheet to the state auditor's office in Indianapolis Wednesday, where it was approved, and he was told that he was the first auditor in the state to complete the distribution.

The auditor's office made a better record than a year ago when the settlement sheet was not approved until November 25. Last year, also, the taxpaying period ended five days earlier, which means that the settlement was made ten days earlier than last November, when the Rush county auditor was also the first in the state.

Taxes collected from the close of the spring taxpaying period to November 6 amounted to \$457,291, but \$665.11 of this sum was not distributed as certain small items are deductible under the law before the distribution is made.

The distribution of fall taxes makes the total taxes collected during the year in Rush county \$1,006,656.79.

The settlement sheet tells the same old story—that the big percent of the money paid in taxes by Rush county people goes for roads and schools. The single item of roads, including new roads and road maintenance, demanded \$124,177.53, of which only \$10,592.87 went to the state highway commission. The biggest item was \$79,416.23 which goes to meet principal interest on highway bonds that will fall due.

Expenses for schools, both state and local, take \$219,194.24, of which \$42,716.78 is for state schools and \$176,477.46 is for local schools.

The total of these two items amounts to \$343,371.77, which is approximately three-fourths of the total amount of taxes collected and distributed.

The distribution was as follows:

State tax	\$3,762.01
Benevolent institution fund	19,257.51
State school	23,127.03
State educational institution fund	16,060.84
Vocational education fund	1,604.26
State highway commission	10,592.87
State soldiers memorial	1,925.76
Agricultural experiment station	1,283.14
State teachers pension

DEATH TOLL MAY MOUNT TO HUNDRED

Bodies Of 82 Victims Of Mine Blast
Near Birmingham, Ala., Already
Brought To Surface

SOME OF THE INJURED MAY DIE

Miners Entombed By Explosion Are
Found Huddled Together—Elec-
tricity Ignites Dust

(By United Press)

Birmingham, Nov. 23.—Bodies of 82 victims of the explosion which entombed 475 miners in the Dolomite mine of the Woodward Iron company, near here, has been brought to the surface at an early hour today.

The death toll of Alabama's second greatest disaster was expected to be swelled to 100 by deaths of some of the 75 workers who lie in hospitals severely injured or burned.

The other miners entombed by the explosion of mine dust yesterday were huddled together safely when found by rescue squads.

The rescue workers were still exploring the most distant recess of the mine, while a handful of the thousands of relatives and curious spectators who jammed about the mine mouth as load after load of dead was stacked on the cold ground, still milled around the charred and smoking tippie, awaiting possible news of additional victims.

Militia men called to hold back the screaming frenzied women and children, relatives of victims, from interfering with the rescue work, still paced silently in front of the mine mouth. Screams of the fear-crazed watchers were heard nearly a quarter of a mile last night as each car load of the dead reached the surface.

The explosion was caused by an electric spark igniting mine dust. Sheets of flame swept the mine and spouted from the tippie, blocking the entrance. The first of the entombed men—125 blackened workers—came out of the shaft immediately after the blast and within two hours many others, with terrified faces appeared. After that a steady stream of uninjured and injured and dead were brought out.

Crowds gathered at the entrance as word of the disaster swept the little settlement.

FRANK M'ILWAINE GRAND HIGH PRIEST

Rushville Man Elected to Office in
Grand Encampment at Odd Fel-
lows Grand Lodge

TO BUILD DORMITORY AT HOME

Indianapolis, Ind., Nov. 23.—H. F. Clements of Mount Vernon was elected grand master of the grand lodge of Indiana, I. O. O. F. at the eighty-sixth convention in session here today.

Other officers elected were: Charles Thomas, Bloomington, deputy grand master; F. L. Behmyer, Liberty, grand warden; George Bornwasser, Indianapolis, grand secretary; W. A. Morris, Frankfort, grand treasurer; George Herschman, Crown Point, grand representative for two years; Otto Buyer, South Bend, grand representative for one year and T. A. Hadley of Richmond, grand trustee.

A child dormitory costing \$12,500 will be erected at the Odd Fellows home at Greensburg as a memorial to Schuyler Colfax, it was decided at a meeting last night. A new set of general laws was also adopted.

In the Grand Encampment meeting last evening, Frank McIlwaine of Rushville was elected grand high priest.

ASK MORE SPECIFIC CHARGE

Washington, Nov. 23.—The house judiciary committee by a unanimous vote of both republicans and democrats, passed a resolution today calling on Representative Keller, Republican, Minnesota, to submit before December 1, a more specific charge in his impeachment of Attorney General Daugherty.

HER AILMENTS ALL GONE NOW

**Mrs. Sherman Helped by
Lydia E. Pinkham's Veg-
etable Compound**

Lake, Michigan.—"About one year ago I suffered with irregularities and a weakness and at times was obliged to stay off my feet. I doctored with our family physician and he finally said he could not understand my case, so I decided to try Lydia E. Pinkham's Vegetable Compound. After I had taken the first bottle I could see that I was getting better. I took several bottles of the Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and I am entirely cured of my ailments. You may publish this letter if you wish."—Mrs. MARY SHERMAN, Route 2, Lake, Mich.

There is one fact women should consider and that is this. Women suffer from irregularities and various forms of weakness. They try this and that doctor, as well as different medicines. Finally they take Lydia E. Pinkham's Compound, and Mrs. Sherman's experience is simply another case showing the merit of this well-known medicine.

If your family physician fails to help you and the same old troubles persist, why isn't it reasonable to try Lydia E. Pinkham's Vegetable Compound?

To Darken Hair Apply Sage Tea

LOOK YOUNG! BRING BACK ITS
NATURAL COLOR, GLOSS AND
ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur Compound at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Automobile Agent Fatally Injured by a C. I. & W. Train

Continued from Page One

A portion of the wrecked machine struck a switch post near Harrison street, and Thompson was found at this place, and it is believed that he was thrown against the post which caused the crushed chest. The switch was broken, and fortunately a derailment of the train was averted, when the switch failed to spring open.

Thompson's body was removed to the undertaking establishment of George C. Wyatt and Company, where it will be held pending word from Thomas Thompson, father of the young man, who lives in Lake county, and who was expected here late this afternoon.

The deceased came here from Lake county last summer as a salesman and later opened an automobile agency, which he had successfully operated, and widened his scope of business, extending a branch office in Shelbyville. His garage and sales-room here was located in South Morgan street, in the Kirkpatrick garage building.

He was unmarried, and resided at the home of the Scanlan Sisters, 224 West Fifth street. Smith is the son of Walter Smith, a farmer residing southwest of Rushville, and he was employed as a mechanic and salesman for Thompson.

It is stated that the two men were going north in Morgan street, shortly after midnight in a Ford touring car, with a built on winter top, and Thompson failed to see or hear the approaching train, which was sliding into Rushville, and preparing to stop at the station, three blocks down the street.

The machine was struck broadside by the engine and completely wrecked. Smith was riding on the side struck by the engine, and it is believed that the sudden impact, caused the machine to turn, and he did not get the full force of the shock.

The two men were carried on the pilot of the engine for a half block, and thrown clear of the wheels of the locomotive, on the south side of the track, at the alley, and in front of the residence of Ben Oster, 221 West Fourth street.

Only a few persons residing in the vicinity were disturbed by the crash. Mr. and Mrs. Oster assisted the injured men into their home, where physicians were summoned, and later they were taken to the hospital in an ambulance.

Mr. Thompson was conscious, and complained about his hip causing him pain, and a preliminary examination revealed that several ribs were broken, but he was not at first thought to have been seriously injured.

He retained consciousness until twenty minutes before he died, which was about three o'clock this morning.

Parts of the automobile were scattered along the track between Morgan and Harrison streets, and the motor and seats were carried a little beyond the Harrison street crossing. The top of the machine was thrown in the middle of the street, just off Morgan street, where it was struck.

Reports concerning the speed of the train were varied. Some said that the train was travelling fast into the city, and others said that the train was slowing up in order to make the necessary stop for the Pennsylvania railroad crossing near the depot. All trains stop just west of the Harrison street crossing for the other railroad, and before they reach the depot.

Many a man who has come to us for a clean and press has been asked this very question, however.

More than that—one of our regular jobs is mending tears and places where the fabric has pulled apart, in such a manner that they cannot be seen. One man after another has received months of wear out of a suit of clothes he thought ready for the "old clothes man."

Criminal Self-Determination

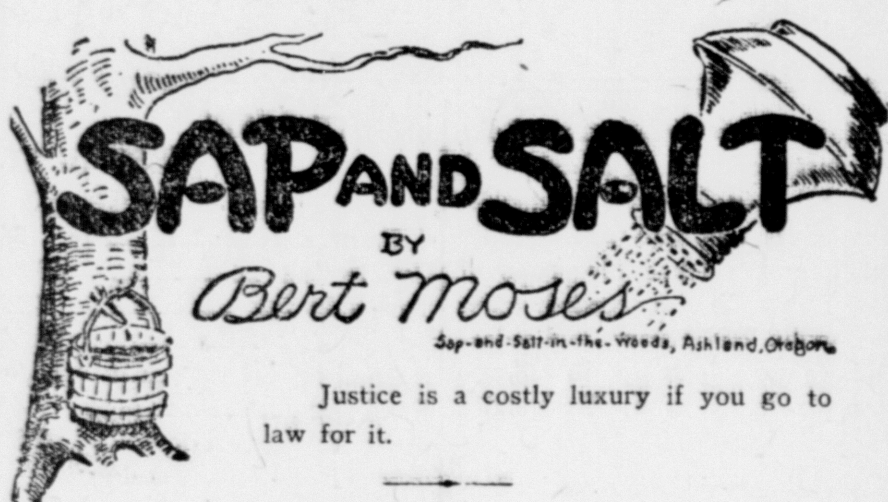

Virtually the entire Christian popu-
lation of Asia Minor, except males
between 19 and 55, is on the march
toward the coast, according to ad-
vices of the Near East Relief. From
all indications there will soon be
nothing left to relieve.

The Turkish Nationalist govern-
ment issued an order recently "per-
mitting" non-Moslems to leave the
country before Nov. 30. This has
been taken everywhere as an ultimatum
for the Christian residents
to get out of the country, under pen-
alty of being massacred after the
date set, as the Greeks were mas-
sacred at Smyrna and as 800,000 of
the total 1,100,000 Armenians have
been since the armistice.

From Samsun, on the Black Sea
comes a typical picture:

"A great trek is in full flood on all
roads converging at Samsun. The re-
fugees have deserted homes, farms,
everything they could not bring away
on their backs or on oxcarts. All
are anxious to reach the sea.

"Samsun already has 10,000 of
its own Christians waiting to sail,
and ships are in sight for only 200
There are an additional 40,000 refu-

gees headed this way and they can-
not possibly get away within the
time limit of Nov. 30. As the mili-
tary are preventing the departure
of all men from 19 to 55, only wom-
en, children and the infirm are reach-
ing Samsun.

"Thousands who survive the hard-
ships of the migration to the coast
will perish of starvation in the win-
ter. I am told 30,000 women and
children are hiding in the moun-
tains."

"Nationalism" is a fine thing, but
here is a nationalism gone mad. Here
is self-determination turned crim-
inal. Yet it is on this principle that
Kemal Pasha and his followers pro-
fess to base their cause and justify
their acts.

They should be taught, by force if
necessary, that no nation has a right
to any sort of self-determination
that involves crime against another
nation or a denial of the universal
claims of civilized humanity. Nor
was the principle as originally en-
unciated intended to work in any
such criminal manner.

Protection For Mexicans

Secretary Hughes was obliged, af-
ter protests from the Mexican gov-
ernment, to wire the governor of
Texas urgently requesting "that ad-

equate measures be taken immedi-
ately to afford complete protection
for Mexican citizens at Brecken-
ridge". The lives of Mexican resi-
dents had been threatened and the
Mexican consulate had complained
that the mayor professed to be un-
able to protect them.

That is in northern Texas, far
from the usual area of international
friction. In southern Texas it has
been worse. In Hidalgo County Mex-
icans have been lynched. It was re-
ported the other day that the entire
Mexican population of one town had
fled for the border in terror.

Not yet forgotten is the compli-
cation caused in the Herrin Ill.
massacre by the incidental killing
of two Mexican citizens, and the in-
ability of the United States govern-
ment to do anything about it.
The government finds it very difficult
to intervene in such matters, and the
states have a way of dodging their
responsibility. The result is embar-
rassing to international relations,
especially relations with a country
like Mexico.

How often have Americans com-
plained indignantly at similar out-
rages perpetrated against Americans
on Mexican soil! Sometimes there
seem to be two sides even to the
Mexican question.

Hoosier College Football Teams Will be in Action in Many Important Games In State

TWO OLD RIVALS WILL MEET

Wabash and DePauw Will Battle at Indianapolis and Earlham Plays at Franklin Field

By HEZE CLARK

Indianapolis, Ind., Nov. 23—Five games in which Hoosier college eleven battle this week furnish the menu for football fans in Indiana.

It matters not if Indiana has won only one game this year and if the record of Purdue is not one that would make the Boiler Makers proud, the game that is being watched from all parts of the state is the Indiana-Purdue affair that will be played at Lafayette. It ends the season for the two Big Ten Conference college teams and no matter what the past record has been the team that wins Saturday will have a successful season.

Purdue has found rough sledding in the last few years when they met Indiana but this year the teams seem to be about evenly matched. There will be a great battle at Lafayette and one worth going miles to see.

Two other ancient rivals meet in Indianapolis. Wabash and DePauw will furnish fans with a lot of fun. Coach Vaughan's Little Giants lost to Butler by a score of 9 to 7. Butler beat DePauw 10 to 0 but football experts who witnessed that game declared it was much closer than the score indicates. Therefore the Wabash-DePauw game will be one real contest.

Two other old time rivals will have a real gridiron battle. Earlham will meet Franklin college at Franklin. The Baptists have been going good in the last few games while the Quakers have hit some hard schedule. However, the Earlham team expects to give Franklin a real argument.

A week ago Butler and Notre Dame held the center of the gridiron stage in Indiana when these two teams met at Indianapolis. This week Notre Dame will play Carnegie Tech at Pittsburgh, Pa. Butler meets Bethany College at Wheeling, W. Va.

There are two high school games in the state this week that are attracting wide attention. Emerson of Gary will meet Warsaw high school at Warsaw. The game will have a direct bearing on the state championship claims of these teams.

All Star Teams Not Winners

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Nov. 23—After the performance of the New York Yankees in the late world's series, the sport philosophers who have advanced adverse opinions on the star system were vindicated.

In the baseball field alone there are examples 'beyond' enumeration that a working team of only ordinarily efficient individuals is more to be desired than a constellation of all stars.

The Giants are generally regarded as an all-star team and they are, almost from man to man, but the idea of team work above individual glory is demanded by John McGraw, perhaps the only manager in baseball who could do it.

Since the days of the Philadelphia Athletics, no world's championship has been won by a team of great stars. The Cincinnati Reds and the Cleveland Indians had no stars of outstanding brilliance and their victories were won by clever, smooth working team work.

As the argument against the star system holds generally true in baseball, it also applies to football.

The Princeton teams of 1921 and 1922 are good examples. Last year the Tigers were made up of some of the greatest stars in the east, such as Don Laurie, All-American quarterback; Stanley Keck, All-American tackle; Hank Garrity, Ralph Gilroy and other outstanding stars.

Yet, from a Princeton standpoint, it was an unsuccessful season. The Tigers beat Harvard game and Yale beat them.

This fall, advance mourning was put on by the friends of Princeton. The Tigers had to start out with a few veterans of no established reputation and a lot of green material. Yet that little considered team proved to be one of the surprises of the season and if they did nothing else they did something no other Princeton team had done in 26 years when they beat Harvard on the Crimson's home lot.

Yale provides more argument, against the advantage of the star system. The chief difficulty at New Haven this season was caused by the possession of too many star backfield men. There were so many that Coach Tad Jones was like the old woman in the shoe.

When having on his hands such material as Capt. Ralph Jordan, O'Hearn, Mallory, Beckett, Neidinger, Neale, Wight, Bench and Kelly would make six coaches feel blessed with fortune, it made Jones overladen with trouble.

In golf and tennis a star combination works better perhaps than in any other sport but the rule is not inviolate. Bill Tilden and Bill Johnston, the two greatest singles players in the world are a great doubles combination but one almost as good is Gerald Patterson teamed with Pat O'Hara Wood, who is only an ordinary singles performer but one of the games greatest artists in double harness.

SHELBYVILLE WILL RESERVE 200 SEATS

School Officials Announce That They Will Take Care Of Rushville Crowd For Game

TO BE PLAYED FRIDAY NIGHT

Shelbyville will reserve 200 seats in one section of their new gymnasium Friday night, when the Rushville high school basketball team will journey down to try their luck against the fast team of that city, which held Franklin to an eight point victory last Friday.

Prof. Kibbey of that city has notified school officials here that the section would be reserved, and that the local high school band would be admitted free. An interclass basketball game will be played as a curtain raiser to the Rushville-Shelbyville game.

Word from Shelbyville today stated that Barnett, their star forward, who has been out of the game this year on account of an injury, will be back in his place Friday night and Hodges will hold down the center position.

The locals will stack up against a team that is ranked as state title material and a hard game is expected. The game tomorrow night also will be the second one to be played in the New Paul Cross Memorial Gymnasium, which seats 2,000 people.

RUSHVILLE HAS A VERY CLOSE CALL

With Remarkable Goal Shooting of Whiteland Back Guard, Visitors Threaten in Last Half

LOSE GAME BY ONLY 4 POINTS

Local High School Tossers Get Away to Good Lead in First Half —Defensive Work Effective

Whiteland's unknown quantity came within close range of defeating the Rushville high school basketball team here Wednesday night, when the visitors spurted in the last half, and lost out by four points the final count being 25 to 21.

In the curtain raiser, the second team from the local high school swamped the Center team, 28 to 8, in a game in which the visiting team was outclassed although they fought hard until the final shot.

In the game with Whiteland the locals had the best of the bargain in the first half, holding a 16 to 6 lead, but in the last frame the visiting team came back, and if the game had gone a few minutes longer, they would probably have evened up the score.

The most remarkable playing of any individual on the local gymnasium floor, was done by the Whiteland center, Kelley. This player shot seven field goals from the long range line of the back guard position, and came within a few inches of making about a dozen similar shots.

The entire crowd was with this individual star, and organized him as a wonderful goal shooter. He also is the captain of the Whiteland team.

Rushville worked a better defensive game last night than at any other time, and this caused the center to take long shots, because they could not work the ball close to their goal.

An unusual thing happened in the first of the game, when McNamara for the locals took the ball through the line, and tossed it in Whiteland's goal, which counted the first two points for the visiting team, and Kelley, captain of the team got credit for the goal.

After this happened, the locals got squared away and began to feed the ball into their own goal, and the best that Whiteland could do was two long shots by Kelley for field goals.

In the first half McNamara placed two goals that counted for Rushville, and Snoddy registered one, with Walker and Phillips each cropping in a couple. Phillips also threw a couple of fouls.

The local team used a three man defense down the center which proved to be a stumbling block for the visitors, but on the other hand, the locals were slow in getting started on their offense, and Whiteland broke up many good plays.

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

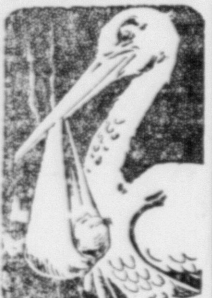

The Royal Neighbors will have a call meeting tonight at the home of Mrs. Sam Warfuel, 901 North Sexton street, to make arrangements for the supper initiatory work next Monday night. All members are requested to be present at this meeting.

Mr. and Mrs. Ora Beckner entertained with a six o'clock dinner party Saturday evening, honoring W. E. Shaffer's fifty-sixth birthday. Covers were laid for the following guests: W. E. Shaffer, Mr. and Mrs. Chester Lee and family, the Misses Thelma and Zelma Shaffer, Alf Lemons of Middletown, Ohio, Luther Shaffer and the Misses Margaret and Florence Shaffer.

Child-birth

Valuable Illustrated Book Sent Free

How thousands of women, by the simple method of an eminent physician, have avoided unnecessary miseries through many months and up to the moment of birth, is fully explained in the remarkable book, "Motherhood and the Baby." Tells also what to do before and after baby comes, probable date of birth, baby rules, etc., and about "Mother's Friend," used by three generations of mothers, and sold in all drug stores everywhere. "Mother's Friend" is a small, handy, safe, free from narcotics, permits easier natural readjustment of muscles and nerves during pregnancy and child-birth. Start using it today. Mrs. E. E. Keger, Clayton, Minn., says: "It pulled me through." Send for book today, to Bradfield Regulator Co., Bk-35, Atlanta, Ga. "Mother's Friend" is sold at all drug stores.

Mrs. Merrill Ball delightfully entertained the members of the Social Dozen club this afternoon at her home in North Morgan street. An informal social afternoon was enjoyed. A dainty luncheon was served at the joyed by the ladies with needlework close of the meeting.

Mrs. Will McBride delightfully entertained the members of the Wednesday Afternoon Sewing club Wednesday afternoon at the home of Charles Frazee in North Main street. The guests spent the afternoon over their needlework and the hostess served a two course luncheon at the close of the meeting.

Mr. and Mrs. Will Harton entertained with a prettily appointed turkey dinner last evening at their home in North Main street. The repast was served in three courses. The dining table was very prettily decorated with bouquets of chrysanthemums and covers were laid for sixteen guests.

The Willing Workers Sunday school class of the St. Paul's Methodist Episcopal church, of which Prof. J. H. Scholl, is the teacher, met at the home of Mrs. Frank Smith in West Third street, Wednesday afternoon, and enjoyed a splendid program. The Rev. H. W. Hargett was present and gave a talk to the ladies. Mr. Scholl also was present and gave a short talk. Mrs. J. M. Walker sang a beautiful solo and Mrs. J. H.

Scholl gave a reading entitled "Crossing the Bridge." Delicious refreshments were served at the close of the meeting.

Mrs. James Cassidy was pleasantly surprised at her home in Homer Tuesday evening, by several of her "friends and relatives, the occasion being in honor of her twenty-ninth birthday. Those present were Mr. and Mrs. Rolla Wilder and family, Mr. and Mrs. Emmons Hurst and family, Mr. and Mrs. Will Ray and family, Mr. and Mrs. Walter Jackson and family, Mr. and Mrs. Claude Collins and family, Mrs. Sallie Carr and Miss Elsie Underwood. At six o'clock a pitch-in supper was enjoyed, a beautiful birthday cake with candles adorning the center of the table. The evening was spent with games and music furnished by the Edison.

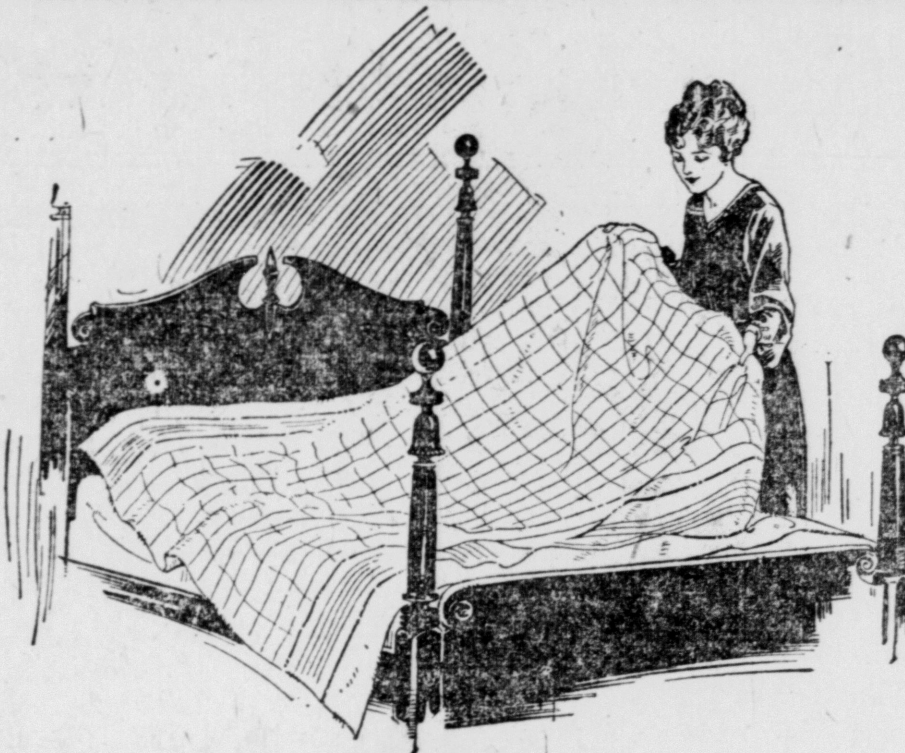

ALL DAY MEETING SUNDAY

Several Pastors to Have Part in Services at Gowdy M. E. Church

An all day meeting will be held at the Gowdy M. E. church Sunday, with preaching services and a basket dinner at noon. The Sunday school will be held at 10 o'clock, and at 11 o'clock the pastor, the Rev. M. E. Abel will preach. At the afternoon meeting, the Rev. John Machlan will have charge of the devotional exercises, and addresses will be given by the Rev. R. R. Cross of Milroy, the Rev. E. L. Wimmer and Mrs. Wimmer of Richland. Special music will be provided at these services and the night preaching by the pastor will be held at seven o'clock. The public is invited to attend, and share in the noonday basket dinner.

Gossard trade marked Corsets as low in price as \$2.00

GOSSARD Corsets are designed for every type of figure. Because there are many Gossard models especially designed to fit your very own figure, you will never have that tied-in, pinched-together look, that "corseted look" that is just as fatally ageing as its sagging uncorseted reverse. Understanding your type is one of the most important aids to beauty you will ever find. Remember that whatever your figure may be there are Gossard Corsets with just the support you need at your age and weight to give you the proper proportions of the type to which you belong. Gossards are moderately priced, launder beautifully, will outwear two or even three ordinary corsets and will give you a comfort such as you never knew before.

HAIR DON'T STOP FALLING ITSELF

35c "Danderine" Saves Your Hair—Ends Dandruff! Delightful Tonic

Don't lose another hair! Don't tolerate destructive dandruff. A little Danderine now will save your hair; thicken and strengthen it; double its beauty.

Falling hair never stops by itself! Dandruff multiplies until it forms a crusty scale, destroying the hair, roots and all, resulting in baldness.

Your druggist will tell you that "Danderine" is the largest selling hair saver in the world because it corrects and tones sick, ailing hair of men and women every time. Use one bottle of Danderine, then if you find a single falling hair or a particle of dandruff, you can have your money back.

DEMONSTRATION IN TYPING

Albert Tangora Of New York Appears Before High School

Albert Tangora of New York, who is only eighteen years of age, gave a demonstration of typewriting before the high school assembly Tuesday afternoon at three o'clock. Mr. Tangora lacked three words of equaling the world's record in a recent championship contest. At the age of fifteen, he won the amateur championship, writing 9,095 words in an hour.

In his demonstration here, the youthful typist wrote 141 words a minute and then improved his speed by writing 157 and then 160 words a minute. Using memorized copy, he wrote 243 words a minute. When he reached the speed of 160 words, Mr. Tangora also added a problem of six figures. Writing words backwards, he was able to do 148 a minute.

AMUSEMENTS

At The Mystic On Friday

A cast that calls for notice from the start comes to the screen of the Mystic theatre Friday when "Paid Back" is presented. "Paid Back" is a Universal all star feature with one of the biggest casts of the day, directed by a man formerly a famous player himself, Irving Cummings.

Louis Durac Lighton wrote the story of "Paid Back" expressly for the celebrated players who take part in the film play Hope Loring prepared the scenario.

Gladys Brockwell has the feminine lead, Mahlon Hamilton, the masculine lead, and Stuart Holmes, Arthur Stewart Hall, Edna Murphy, Kate Price, Wilfred Lucas and Lillian West, the principal roles in support.

In making the picture Universal utilized some of the famous scenic spots of California, including Laguna and Balboa beaches, Catalina island and some of the mountain resorts.

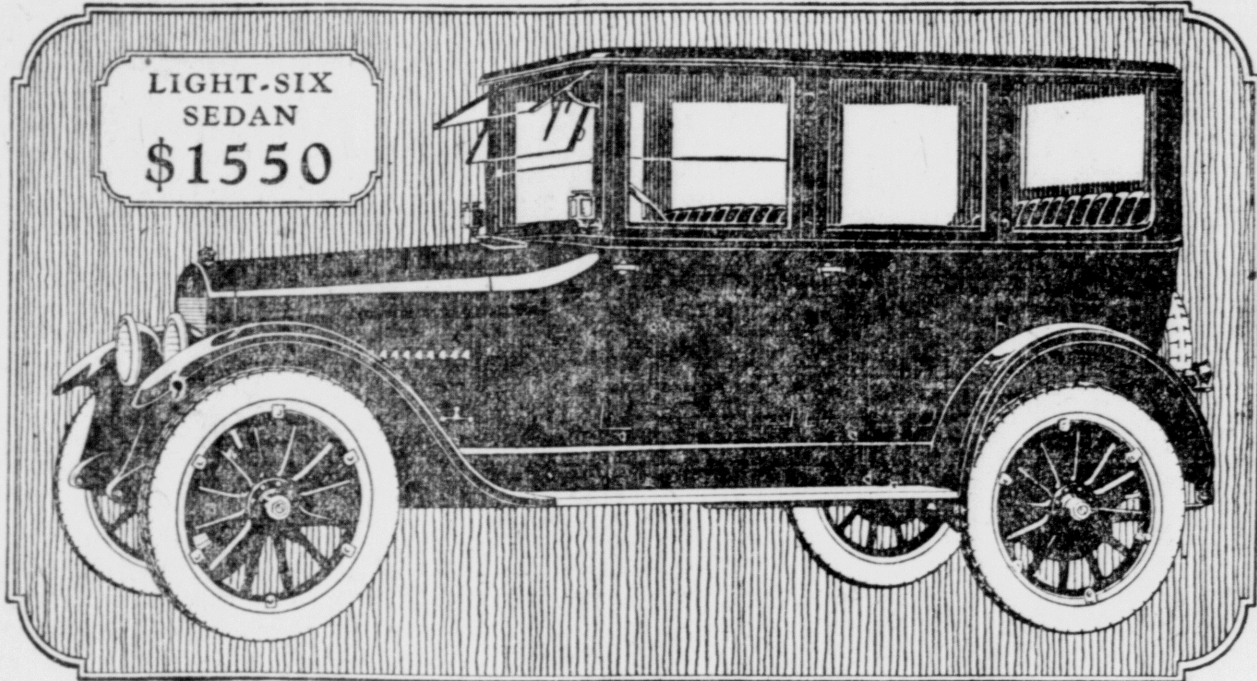

Scenic effects are heightened by the photography of William Fildew, a master camera artist usually associated with Tod Browning and Priscilla Dean in the production of such Universal-Jewel masterpieces as "Under Two Flags."

Studebaker

Order Your Christmas Studebaker Now!

In order to have a Studebaker Light-Six Sedan at the door when the family comes downstairs Christmas morning, you should place your order now.

The Sedan is the ideal gift because it will provide happiness for all the family—all the year—and the years to come.

The sturdy body of the Light-Six Sedan, like the chassis, is built in Studebaker plants. It is constructed to give long, satisfactory service. Only the finest materials are used. Craftsmanship is unexcelled.

It is cradled on long, strong, semi-elliptic springs. The nine-inch seat cushions, upholstered in mohair velvet plush, are restful. The heater, cowl ventilator and the wide windows, among many other features,

add to its year-round comfort and utility.

The reliability of the Studebaker Light-Six Sedan has been proved in the hands of thousands of enthusiastic owners.

It is strictly a quality car. Its low price of \$1550 is possible only because of complete manufacture in one of the most modern and complete automobile plants in the world. This means the elimination of middlemen's profits, and the savings are passed on to you.

And back of the beauty and dependability of the Light-Six and its completeness, its advanced design and precise workmanship, is the Studebaker name, which after 70 years enjoys public confidence and respect more than ever.

Heater. Eight-day clock. Thief-proof transmission lock. Cowl ventilator. Side coach lamps. Rain visor and windshield cleaner. Inside locks on three doors and outside lock on right-hand front door. Silk roller-curtains. Four doors that swing wide open. Dome light. Mohair velvet plush upholstery.

"Remembrance" Again Today

The Goldwyn super-feature, "Remembrance," written and directed by Rupert Hughes, will be seen again today at the Princess, is a marvelous picture that deserves to be ranked with the finest photoplays ever screened. Its appeal is tremendous and its theme is a very beautiful one that has not heretofore been utilized in pictures. It is the story of a self-sacrificing father who nearly gives his life that the wants of his selfish family may be gratified.

"Remembrance" is a story of character rather than plot, although there is ample story thread to carry the action through interesting and logical developments resulting from the extravagance of an inconsiderate family. The scene is laid in a medium sized town where the father has built up a successful department store and the mother has acquired social ambitions in which she is seconded by her sons and daughters. In order to meet the even increasing bills, the father works incessantly, without any regard for his health, until he collapses.

Only when he is on the verge of death does the family realize its selfishness and then there is a change of heart.

The acting in the picture is superb with Claude Gillingwater giving a memorable performance as the father. Kate Lester is the mother,

and others prominent in the all-star cast are Patsy Ruth Miller, Cullen Landis and Richard Tucker.

Vincennes—Russell McCoy, prominent Knox county farmer, shot and killed a buck deer weighing 300 pounds on his farm here.
